Weekly Bulletin 25 September 2011

Dear family in Christ

Don't you think that we've all been done in? I do.

A **public holiday** on a Saturday - no, no, no, that's just not cricket, as they say! One feels a bit cheated, don't you?

Anyway, **HERITAGE DAY** does provide us South Africans an opportunity to remember our identity, our history, to go back to our roots - even if that is only "braaiivleis, rugby, sunny skies and Chevrolet" as that advert of old used to say!

On a more serious note, Heritage Day both invites and invokes reflection on where we have come from, who we are, and who we can become as a great "**rainbow nation**". As I heard a champion of democracy in South Africa say on a TV show the other evening, if we as a nation could overcome apartheid, then we can also overcome the struggles we face today. Amen! In Christ, all things are indeed possible!

As a Church we remember our heritage in the words of an early Christian creed, put to paper by Paul in 1Corinthians 15:3-5, "...that Christ died for our sins according to the Scriptures, that he was buried, that he was raised on the third day according to the Scriptures, and that he appeared to Peter, and then to the Twelve." And in this we rejoice!!

Our own MCSA has connected with its heritage over this past weekend in its **Annual Conference** (as instituted by Wesley so many years ago) held in Maseru, Lesotho.

All thanks and praise to God.

Yours in Christ, Gary

BMC YOUTH AND STUDENT MINISTRY

Our youth would like to say a big thank you to all who came out to support us for our Jump 4 Jesus. It was a great success and we raised quite a bit for our missions trip. We would like to say a special thank you to the families who donated money, paint and the trampoline. We also would like to thank the ladies fellowship for their contribution to the tea garden and well as the various home cell groups that were involved. Without you we could not have done this at all.

We look forward to our Missions trip next week and we pray that God will continue to bless us as He has this weekend.

Many Blessings
Catherine and David
